Sahil Pinjari

Programmer / Data Scientist

I'm an engineering student with a focus on Artificial Intelligence and Data Science. I have a deep love for programming and development. In my line of work, I have extraordinary focus abilities, and I always aim for simplicity and excellence. Motivated by a team-oriented setting, I'm dedicated to developing novel ideas that have an impact.

SKILLS

SKILLS AND LANGUAGES C++, Python, ~~TEX~~ LaTeX, Django, HTML, CSS, JavaScript, Bootstrap, MySQL, Microsoft Azure, Cloud Computing.
SOFT SKILLS English, Hindi, Marathi , communication skills , Problem-Solving , Creativity.

TECHNICAL EXPERIENCE

INTERNSHIP

Feb 2023 — April 2024

EY GDS(AICTE)

Baramati,MH

- This Internship is about Project based Learning.
- Skills like Django, HTML, CSS, JavaScript with a wealth of complex knowledge and expertise are Demonstrated.
- Learned about Cloud computing and other emerging technologies.
- Understood Full stack development with project based learning approach with Microsoft Azure.

INDIVIDUAL PROJECT

Third year

CAR RENTAL USING DJANGO

Baramati,MH

- Technologies Like HTML, CSS, Django, Bootstrap, MySQL.
- Designed User Interface(UI) of the car rental website.
- Implemented Frontend and Backend technologies and MYSQL database.

INDIVIDUAL PROJECT

Third year

RATING PREDICTION USING ARTIFICIAL NEURAL NETWORK

Baramati,MH

- Understood Python and its libraries like Pandas, numpy and tensorflow.
- Implementing Data science and Artificial Neural Network Play Store Rating are predicated.
- Gaining the knowledge about Neural Networks and techniques.
- By Working on a Dataset learned to find hidden patterns and use that to further enhance our understanding.

GROUP PROJECT

Third Year

ANALYTICAL DASHBOARD USING PYTHON GUI FOR EXCEL

Baramati,MH

- Created a Python-based application for excel data entry through user-friendly GUI, without the need to open the file directly.
- Tools like Microsoft Power BI, Execl, Visual Studio Code are used.
- Skills like Python , PySimpleGUI, GUI Development, Automation Solution, Business Understanding are Demonstrated.

EDUCATION

SSC, St. A. G. Convent School

2019

84 percentile

HSC, St. A G Convent School

2021

86 percentile

Bachelor of Engineering in AI & DS, Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering and Technology, Baramati

CGPA aggregate - 6.94

2021 - 2025(Expected)

CERTIFICATES

EY GDS CERTIFICATE : For successfully completing the 6 weeks of the EY Global Delivery Services led internship in collaboration with AICTE from 28 February 2024 to 25 April 2024 on Full Stack Web Development under the Next Gen Employability Program 2023-24.

GUUVI PYTHON : for successfully completing basic to advanced PYTHON programming language course.

ACTIVITIES

College Hackathon : Got to the last Round as a second year student competing with all four year students.

2023

Seminar : Given a presentation of a project that I have made and got praised and appreciated by the respected teachers.

2023

Researched : Researched on a paper(Using Transfer Learning for Code-Related Tasks) in which transfer learning is used to do code related tasks.

2023
